#Advice on Training

Berlin model project for advising and informing caregivers on the transition from school to training

Are you an advisor?

Do you want to support a young person?
We train and consult you as an advisor for
vocational training.

We are experienced in supporting young
people during the transition from school to
training. For many years, we have been
committed to improving and promoting the
educational opportunities and participation
for young people.

OUR OFFERING

- We support you as an advisor for young people in choosing a career.
- We design our consultations, presentations and training modules, based on your questions and requirements.
